

GOD TIMES: DAY 2

Read Proverbs 3:5-6: ***Trust in the Lord with all your heart. Do not depend on your own understanding. In all your ways obey him. Then he will make your paths smooth and straight (NIV).***

Have you ever been in a boat on a lake or in the ocean? What are you required to wear at ALL times when you're in a boat? A life vest! Why? To protect you and help you float in the water. When you wear that life vest, you are putting your confidence in the fact that it was made to keep you safe and protected.

Trust means to put your confidence in something. This verse reminds us that our own understanding is limited. We can't see the future or know how things will turn out. But there is someone who can. God does know what tomorrow will bring. We can put our confidence in Him knowing that He is in control and he knows all. God made you to trust Him.

Proverbs 3:5-6 are some great verses to memorize. Write the words of these verses on separate sticky notes. Lay out the notes in a grid pattern on the floor in verse order—six words per row in five rows. If you have a fly swatter, ask an adult if you can borrow it to learn this verse. Stand in front of the verse grid and smack each word with the fly swatter as you say it.

Ask God to help you trust Him.
