

1. JOSEPH'S COAT

What You Need: graham crackers, icing or cream cheese, airhead Xtreme, or fruit by the Foot cut in strips

What You Do:

- Give each child a plate with a graham cracker.
- Instruct them to use their knives to cover the graham crackers with cream cheese or icing.
- Once the surface is covered, encourage the children to use the fruit by the foot, airhead Xtreme, or colored sprinkles to cover the surface to create Joseph's coat.

What You Say: "Your coats look so colorful and yummy! As you eat your snack, I want you to think about what it must have been like for Joseph. His brothers' jealousy started this whole chain of terrible events in Joseph's life. But God knew what was happening, and He was with Joseph through all of it. God is with you, too. That's why you can **[Bottom Line] live like you know God is with you.**"

2. GRAIN-OLA

What You Need: boxes of granola, M&Ms or chocolate chips, popcorn, pretzels, cheerios or other cereal, small cups, or resealable bags

What You Do:

- Place each of the items in plastic bowls with a small spoon.
- Let the children choose a spoonful of each item and place it in their bowls or resealable bags to create their own "Grain-ola" mixes.

What You Say: "When Joseph's brothers went to Egypt to buy grain, they had no idea that they would come face to face with the brother they'd sold off years before. Joseph certainly had no idea that those brothers who had mistreated him would one day bow before him asking for help. What would you have done in this situation? *(Pause for responses)* Because Joseph knew that God was with him and that He had a bigger plan, Joseph chose to forgive his brothers. Think about how you might treat people differently, even those who hurt you if you chose to **[Bottom Line] live like you know God is with you.**"
