

SCOOTER SNACK

What You Need:

- Vienna Finger or Milano Cookies– 1 per child
- Vanilla Frosting
- Sugar Sprinkles – to match theme colors
- Mini York Peppermint Patties or Mini Oreo cookies – 4 per child
- Pretzel Sticks – 2 per child
- Chocolate chips
- Wax paper
- Cookie Sheet(s)
- Paper plates – 1 per child
- Craft stick – 1 per child
- Napkins – 1 per child

What You Do:

- Cover the tables in your snack area with butcher paper or plastic tablecloths.
- Before Snack time: Line a cookie sheet with a piece of wax paper and set aside. Melt chocolate chips and dab a little bit of chocolate on the center of one of the pretzel sticks then place the second pretzel stick perpendicular to make a "T." Add more chocolate if needed to hold. Set in the refrigerator to harden. You will need one of these "T's" for each child.
- Place a small amount of frosting on each plate along with a cookie.
- Give each child a plate, a craft stick, and a napkin.
- Ask the children to frost the top of their cookie and shake sugar sprinkles on if desired.
- Pass out 4 mini Peppermint Patties, along with a "T" pretzel stick to each child. Have the kids stick the "T" on one end of the frosted cookie (add extra frosting if needed). Then attach the mint chocolates with frosting to the sides for wheels.

What You Say: "Hello friends! Who remembers what present Jordan got for her birthday? *(Pause)* A scooter, that's right! Well today we are going to make a scooter we can eat! Yum! Let's get started making our scooter. Spread some icing on the top of your cookie and add some sprinkles! Our scooter needs some wheels right? So add some frosting to the candies and stick them on, two on each side. Now, all that's left is the handle bar! Stick it down in the icing and there you go! In our Bible story today, Joseph knew that God's way was the best way to go! He kept doing things God's way even when things weren't easy because he knew that God is always with us. **When are you your best? [Bottom Line] "I'm my best when I do things God's way."**
